

W56H

Yealink DECT Handset

The Yealink W56H is the next-generation wireless handset designed for business use with excellent battery life and high compatibility.

Combining the benefits of wireless communication with the rich business features of Voice-over-IP telephony, it empowers users with the convenience of wireless communication. Users can enjoy conversations with excellent speech quality and benefit from freedom of movement and its professional features. The attractive design with a 2.4" color screen underlined by its modern look is what defines this state-of-the-art VoIP wireless telephone.

Key Features and Benefits

- Exceptional handsfree talking
- 2.4" 240 x 320 color screen with intuitive user interface
